

**Florida Brownfields Association  
ANNUAL ENVIRONMENTAL JUSTICE WORKSHOP**

Location: First United Methodist Church of Port St. Joe  
1001 Constitution Dr., Port St Joe, FL 32456

**Environmental  
Justice**

A red stamp with the words "MISSION IMPOSSIBLE" in white, tilted at an angle. A small black insect is visible on the stamp.

The theme for this two-day workshop is “Environmental Justice: Mission ~~IM~~Possible!”, which seeks to transform the challenges of environmental injustice into a mission of justice by highlighting the journey to success of one Florida community and sharing information and resources to advance communities that are disproportionately impacted.
